

## CURRICULUM VITAE ASBJØRN JOKSTAD

### PERSONAL DATA

#### 1. DEGREES AND EDUCATION

Scientific, clinical, basic  
Clinical specialty training  
Pedagogic  
Additional, scientific and clinical

#### 2. EMPLOYMENT HISTORY AND WORK EXPERIENCE

#### 3. HONOURS

#### 4. CURRENT ACTIVITIES AND POSITIONS

- A. Research, scholarly and professional
- B. Teaching
- C. Administration

#### 5. CURRENT AND PAST ACTIVITIES

##### A. RESEARCH, SCHOLARLY AND PROFESSIONAL

A.1 External Research funding

##### A.2 Publications

Books  
Chapters in Books  
Articles in Refereed Journals  
Technical Writings/Reports/commentaries  
Abstracts and/or papers read/presented  
Other (appropriate to the discipline)

A.3 Presentations at scientific conferences

A.4 Executive positions

A.5 Editorial boards and editorship

A.6 Additional scholarly and professional activities

##### B. TEACHING

B. 1 Courses taught

Undergraduate level  
Graduate level  
Postgraduate level  
Post-doctoral level  
Others

B.2 Invited presentations at professional meetings/workshop

B.3 Graduate supervision

B.4 Authorship of teaching material

B.5 Popularization of research to the public

Letters and essays

Public interviews

Public debate participation

B.6 Development and use of information technology

B.7 Other educational activities

##### C. ADMINISTRATION

University administrative duties

Development and use of information technology

Reports/synopses, unpublished

#### 6. OTHER

## **PERSONAL DATA**

Born: 11. June 1956, Arendal, Norway.  
Norwegian Health Personnel number # 6139434;  
Ontario Dentist License #65884

Current private address: Nansenvegen 32B, N-9007 Tromsø, Norway

Current employment:  
Professor, Department of Clinical Dentistry,  
Faculty of Health Sciences, The Arctic University of Norway, Tromsø, Norway

Co-appointed  
Professor, Prosthodontics  
University of Toronto, Faculty of Dentistry, 124 Edward St., Toronto, Ontario ON M5G 1G6, Canada

---

## **1. DEGREES AND EDUCATION**

[TOP](#) 

### ***Scientific, clinical***

<u>DESIGNATION</u>	<u>UNIVERSITY</u>	<u>DEPARTMENT</u>	<u>YEAR</u>
Dr. Odont. (Ph.D)	University of Oslo	Faculty of Dentistry	1984-1992
General Biology	University of Oslo	Faculty of Dentistry	1984-1985
Cand.Odont. (D.D.S.)	University of Oslo	Faculty of Dentistry	1974-1979

### ***Specialty prosthodontic training***

- 15.12.1994 Specialist, Prosthodontics, University of Oslo Faculty of Dentistry
- 1990-1994 Prosthodontic graduate program. University of Oslo Faculty of Dentistry

### ***Pedagogic***

- How can dissemination and implementation from research be done internationally? Symposium on Evidence Based Dentistry. Centre for Evidence Based Dentistry. London, U.K. Nov. 1999
- Clinical teaching. Course. University pedagogic centre. University of Oslo. Fall, 1998
- University pedagogy courses for new employees. 1year. University of Oslo Pedagogic Research Institute, 1984

### ***Additional, scientific and clinical***

- Research dissemination to the public University of Oslo Faculty of Dentistry, Feb. 2002
- Research journalism. Medicine and health professions. Institute for journalism, Fredrikstad, Norway, Oct. 2000
- How to practice evidence based health care. The 4<sup>th</sup> Nordic Evidence - based Health Care Workshop. 25 hours. National Institute of Public Health, Oslo, June 1999
- Ethics and science theory in the health professions – dentistry. University of Oslo Faculty of Dentistry, Sep. 1998
- The 3<sup>rd</sup> Nordic Evidence - based Health Care Workshop. How to practice evidence based health care. National Institute of Public Health, Oslo, Norway, June 1998
- Cochrane protocol workshop. 12 hours. Nordic Cochrane Collaboration Centre, Oslo, Norway March 1998
- Workshop on Evidence Based Dentistry. Centre for Evidence Based Dentistry. Oxford, UK, Nov., 1997
- Research course: Science theory (#97med1d). University of Oslo Faculty of Medicine, Feb 11 1997

- General toxicology (BIO241) University of Oslo Faculty of Mathematical - Natural Sciences, Spring Semester 1989
- Informatics: Programming laboratory (IN102). University of Oslo Mathematical - Natural Sciences Faculty Spring Semester 1985
- Research course: High-resolution electron microscopy (BIO303). Norwegian State Institute for Public Health, 1985
- Informatics: Programming (IN105) University of Oslo Mathematical - Natural Sciences Faculty Fall Semester 1984
- Graduate dentistry courses - non-general biology curriculum. University of Oslo Faculty of Dentistry, Fall 1982 – Spring 1984

## **2. EMPLOYMENT HISTORY AND WORK EXPERIENCE**

[TOP](#) 

<u>Date</u>	<u>Rank and Position</u>	<u>Department</u>	<u>Institution</u>
2012 -	Professor	Clinical Dentistry	Faculty of Health Sciences The Arctic University of Norway
2005 -2013	Professor and Head	Prosthodontics	Faculty of Dentistry University of Toronto
2004-2005	Professor	Prosthetic Dentistry and Oral Function	Faculty of Dentistry University of Oslo
2002-2004	Professor	Conservative Dentistry	Faculty of Dentistry University of Oslo
2001-2006 (part time)	Scientific Affairs Manager	FDI World Dental Federation	Ferney-Voltaire, France
1998–2002	Associate Professor	Conservative Dentistry	Faculty of Dentistry University of Oslo
1996-1998	Post Doctor Research Associate	Prosthetic Dentistry and Oral Function	Faculty of Dentistry University of Oslo
1993-1996	Clinical Instructor (part time)	Prosthetic Dentistry and Oral Function	Faculty of Dentistry University of Oslo
1984-1993	Research Fellow	Anatomy	Faculty of Dentistry University of Oslo
1983-1984 (part time)	Clinical Instructor	Dental Technology	University of Oslo
1982-1983 (part time)	Pediatric Dentist	Public Dental Health Clinic	Oslo & Ullensaker county
1981-1982	Military dentist /Captain	North Brig.-2 <sup>nd</sup> Batal. Oscarsborg Coastal Fort	Skjold, Troms Drøbak
1981-2005 (part time)	Dental practitioner	Private practice	Kløfta
1980-1981 (part time)	Military dentist	Gardermoen airfield	Ullensaker
1979-1980	Military dentist /Lieutenant	Bardufoss airfield Nes Coastal Fort Army Weapons School Corps	Målselv, Troms Lødingen, Troms Helgelandsmoen

## **3. HONOURS**

[TOP](#) 

Fellow, Canadian Section of the International Team for Implantology (ITI) 2008-  
Honorary Fellow, International College of Dentistry, 2008  
Fairfax Fellowship Stipend, University of Sydney, 2004

**4. CURRENT ACTIVITIES AND POSITIONS**[TOP](#) **A. Research, scholarly and professional**

Externally Research funding

Competitive research grants held (3):

Sponsor	Project title	Duration of Award	Total Award
Claron Technology (Toronto)	NaviDent navigation surgery development. <u>Primary Investigator.</u>	2011-2015	CAD 126.000

[Past activities [see tab A.1.](#)]**Collaborations outside of the Arctic University of Norway, Tromsø:**

Universities of: Oslo, Bergen, Tromsø, Copenhagen, Aalborg, Stockholm, Göteborg, Malmö, Umeå, Helsinki, Turku, Oulo, Reykjavik, Freiburg, Frankfurt, Dresden, Hannover, Giessen, Leuven, Amsterdam, Nijmegen, Manchester, Newcastle, Plymouth, London, Bern, Zürich, Geneva, Singapore, Hong Kong, Otago, McGill, Iowa, UCLA, Seattle, Gainesville, Michigan. Ongoing book projects and/or systematic review developments and/or multicentre clinical trials planning. Multiple individuals involved.

**Executive positions**

- 2013- International Association for Dental Research. Washington DC, USA. Award Committee
- 2011- International Association for Dental Research, Washington DC, USA. IADR Prosthodontics Group, Group Program Chair
- 2008- International Association for Dental Research. Washington DC, USA. Prosthodontics group, Web-administrator [www.iadr.org/prosthodontics](http://www.iadr.org/prosthodontics)
- 2008- International Association for Dental Research, Washington DC, USA. IADR Implantology Research Group, Council Director
- 2007- Standards Council of Canada, Ottawa, Canada. Head of Delegation, ISO/TC106/SC8 Dental Implants
- 2001- Council on Scientific Affairs, American Dental Association. Consultant

[Past activities [see tab A.4](#)]**Editorial positions**

- 1998- Evidence Based Dentistry (Nature Publishing Group) Co-Editor

**Member, Editorial board**

- 2014- Austin Journal of Dentistry, Austin publishing group
- 2011- Clinical Dentistry and Research (Hacettepe University Faculty of Dentistry)
- 2011- Open Journal of Implant Dentistry (AOSIS (Pty) Ltd)
- 2011- Journal of Translational Medicine (BioMed Central Ltd)
- 2010- Oral & Craniofacial Tissue Engineering (Quintessence Publishing)
- 2009- Journal of Investigative and Clinical Dentistry (Wiley Blackwell Publishing)
- 2007- Journal of Oral Rehabilitation (Wiley Blackwell Publishing)
- 2006- International Journal of Oral and Maxillofacial Implants (Quintessence Publishing)
- 2006- Clinical Oral Implants Research (Blackwell Publishing)
- 2006- Journal of Prosthodontic Research (prev. Prosthodontic Research & Practice (Japan Prosthodontic Society))

- 2005- Protetyka Stomatologiczna, (Polish Association of Prosthodontics)  
2002- Deutsche Zahnärztliche Zeitung (Deutscher Ärzte Verlag)  
2001- Journal of Canadian Dental Association (Canadian Dental Association)

**Reviewer for other journals**

Currently reviews papers from approximately 10 journals beyond the ones listed above

[Past activities [see tab A.5.](#)]

**B. Teaching**

**Graduate Supervisions:**

- |    |                       |    |
|----|-----------------------|----|
| 1. | Doctoral Thesis       | 6  |
| 2. | Master's Thesis       | 16 |
| 3. | Speciality candidates | 16 |

**Graduate Courses**

- Clinical Epidemiology and Evidence Based Practice
- Prosthodontics Treatment planning
- Prosthodontics V. Critical appraisal of literature
- Joint Literature Seminars Periodontology-Prosthodontics
- Joint Treatment planning Seminars Periodontology-Radiology-Prosthodontics -
- Temporomandibular Dysfunction
- Occlusion

[Past activities [see tab B](#)]

**C. Administration**

**Faculty of Dentistry**

2008-2012 Member, Prosthodontic Discipline M.Sc. Applicants Committee

2008-2012 Member, School of Graduate Studies, (SGS) University of Toronto

2007-2012 Board Member, Research Institute Clinic Managerial board

**Department (Prosthodontics)**

2006-2012 Audit and management of patients referred for advanced prosthodontic treatment in the graduate prosthodontic clinics

2005-2012 Professor and Head; Chair, M.Sc. Applicants Committees; Program director, Prosthodontic Specialty Program

[Past activities [see tab C](#)]

**5. CURRENT AND PAST ACTIVITIES**[TOP](#)**A. RESEARCH, SCHOLARLY AND PROFESSIONAL****A.1 Externally Research funding**

Competitive research grants held previously

<b>Sponsor</b>	<b>Project title</b>	<b>Duration of Award</b>	<b>Total Award</b>
Claron Technology (Toronto)	NaviDent navigation surgery development. <u>Primary Investigator.</u>	2011-2015	CAD 126.000
Nobel Biocare A.G. (Switzerland)	Clinical Trials of Edentulous Patients Treated with Immediately Loaded Implant-Supported Mandibular Prosthesis. <u>Primary Investigator</u>	2006-2012	CAD 107.000
International Team of Implantology (Switzerland)	Retrospective analyses of patients with implant-retained partial fixed dental prostheses. <u>Primary Investigator</u>	2011-2013	CAD 200.400
Institute Straumann A.G. (Switzerland)	A 3 Arm controlled Randomised study: Comparison of Early and Late Loading Protocols in Full Arch Reconstructions in the Edentulous Maxilla, Using The Cresco Prosthetic System on Straumann Implants. <u>Primary Investigator</u>	2004-2010	NOK 120.000
South Africa-Norwegian Program for Research Cooperation	Capacity building in evidence-based dentistry and clinical practice guidelines for a developing country. <u>Co-Primary Investigator</u> (Co-P.I. Dr Peter Owen, U. Johannesburg, S.A.)	2004-2005	NOK 200.000
FDI World Dental Federation Science Commission	Quality of Dental Implants. <u>Primary Investigator</u>	2000-2004	GBP: 10.000
FDI World Dental Federation Science Commission	Quality of Dental Restorations. <u>Primary Investigator</u>	1996-2001	GBP: 10.000
The Nordic Institute for Dental Materials, NIOM, Norway	Clinical research program at NIOM. <u>Co-Primary Investigator</u> (Co-P.I.: Dr Ivar A. Mjor, director, NIOM)	1985-1992	NOK 160.000

## A.2 Publications

CAREER TOTALS - Books	2
Chapters in Books	7
Articles in Refereed Journals	94
Technical Writings/Reports/commentaries	18
Abstracts and/or Papers Read	43
Other (appropriate to the discipline)	18

### Books

1. Jokstad A. Osseointegration and Dental Implants. Ames, IA: Blackwell Publishing Professional. 2009. Pp. 410. ISBN 97-80813-813-417
2. Jokstad A. Class 2 Cavity Preparations and Restoration Performance. Oslo: University of Oslo, Doctoral thesis 1992. Pp. 198. ISBN 82-91757-08-9.

### Chapters in books

1. Jokstad A. Chapter 3. Evidence Based Medicine Applied to Fixed Prosthodontics. In: *A Textbook of Fixed Prosthodontics. The Scandinavian Approach*. Nilner K, Karlsson S, Dahl BL (eds). Stockholm: Gothia Fortbildning AB, 2013. pp. 52-74. ISBN 978-91-7205-796-8.
2. Jokstad A. Chapter 6. Prognosis and Evidence Based Prosthodontics. In: *A Textbook of Removable Prosthodontics. The Scandinavian Approach*. Thoren MM, Gunne J (eds). Copenhagen: Munksgaard Denmark, 2012. pp. 85-99. ISBN 87-62809-555.
3. Jokstad A. Why different implant systems? In: *Odontologi 2007*. Holmstrup, P (ed). Copenhagen: Munksgaard, 2007, 71 - 88.
4. Jokstad A. Dental practice in the information age. [*Tannlegepraksis i informasjonsalderen - evidensbasert odontologi kan kanskje forenkle vår arbeidssitasjon*]. In: *Årsbok 2002*. Grönroos L, Rosqvist N (eds). Helsinki: Odontologiska Samfundet i Finland, 2002, 9-17.
5. Jokstad A, Ørstavik J. Prognosis in prosthodontics [*Prognose i protetikk*]. In: *Odontologi 2002*. Holmstrup P (ed). Copenhagen: Munksgaard, 2002. 139 – 153. ISBN 87-628-0365-4.
6. Jokstad A. Evidence Based Medicine Applied to Fixed Prosthodontics. In: *A Textbook of Fixed Prosthodontics. The Scandinavian Approach*. Karlsson S, Nilner K, Dahl BL (eds). Stockholm: Förlagshuset Gothia, 2000, 337 - 356. ISBN 91-720-5280-5
7. Jokstad A. Evidence - based medicine in daily dentistry. [*Evidens - basert medisin i den odontologiske hverdagen*]. In: *Odontologi 2000*. Hjørting - Hansen E (ed). Copenhagen: Munksgaard, 2000, 247 - 261. ISBN 87-161-2268-2.

### A.3 Presentations at scientific conferences

[TOP](#)

- 2013 - International Association for Dental Research Annual Meeting. Seattle, WA. USA. Poster.: Fatigue Resistance and Fracture Strength of Zirconia -Machinable Ceramic Crowns
- 2012 - American Head & Neck Society 8th International Conference on Head and Neck Cancer, Toronto, Canada. Poster.: Oral mucositis in head and neck cancer patients undergoing radiotherapy recorded by the use of a patient reported oral mucositis scale (proms) questionnaire
  - International Association for Dental Research Annual Meeting. Tampa, FL, USA. Poster.: Mandibular full-arch FDPs on four immediate-load implants after 4 years
  - American Association for Dental Research Annual Meeting. Tampa, FL, USA. Poster.: Immediate load full-arch mandibular implant-retained FDPs over 3-years RCT.
  - American Association for Dental Research Annual Meeting. Tampa, FL, USA. Poster Fracture Strength of Machinable Ceramic-Zirconia Discs: Effect of Thickness Ratio

- Europerio7. Wien, Austria. Poster Retrospective analyses of patients with one or more implant-retained partial fixed dental prostheses.
- 2011 - Scandinavian society for Periodontology. Bergen, Norway. Poster: Oral mucositis associated with head and neck cancer therapy
- MASCC Meeting, Athens, Greece. Poster: Oral Mucositis Experience in Head and Neck Cancer Patients using the Patient Reported Oral Mucositis scale (PROMS).
- International Association for Dental Research Annual Meeting. San Diego, CA, USA. Oral pres.: Early Loading Maxillary Cresco Full Arch Reconstructions. An RCT trial.
- International Association for Dental Research Annual Meeting. San Diego, CA, USA. Poster: Fracture Strength of Porcelain-Zirconia Discs: Effect of Varying Thickness Ratio.
- International Association for Dental Research Annual Meeting. San Diego, CA, USA. Poster: Oral Mucositis Experience in Head and Neck Cancer Patients.
- 2010- - International Association for Dental Research Annual Meeting. Barcelona, Spain. Symposium Lecture: Critical Issues for Reconciling Disparities and Enhancing the Validity of Systematic Reviews.
- 2009 - Academy of Osseointegration. 24th Annual Meeting. Poster: A Randomized Controlled Clinical Trial of Edentulous Patients Treated with Immediately Loaded Implant-Supported Mandibular Fixed Prostheses.
- International Association for Dental Research Annual Meeting. Miami, FL, USA. Poster: A Toronto Practice Based Research Network for Dental Implant Research.
- 2008 - Toronto Osseointegration Conference Revisited. Toronto, Canada. Lecture: - What have we learned from clinical trials about early loading of implants?
- 2007 - International Dental Ethics and Law Society. 7th International Dental Ethics and Law Congress. Toronto, Canada. Lecture: Patient Preferences and Study Designs of Clinical Trials in Dentistry. A systematic Review.
- Academy of Osseointegration. Chicago, USA. State of the Science of Implant Dentistry, Lecture. What is the effect on outcomes of time-to-loading of a fixed or removable prosthesis placed on implant(s)?
- 2006 - Academy of Osseointegration. Chicago, USA. State of the Science of Implant Dentistry, Lecture. Early and immediate loading. A Systematic Review.
- 2004 - British Society for the Study of Prosthetic Dentistry, Poster: Occlusal splints for the treatment of TMD. Latimer, England
- International Association for Dental Research 82<sup>nd</sup> general session, Poster: TMD therapy using two occlusal splint designs. Honolulu, USA
- 2003 - FDI World Dental Federation. World Dental Congress, Poster: TMD therapy using occlusal splint. Splint thickness influences the treatment outcome. Sydney
- European Association of Dental Public Health. 8<sup>th</sup> Annual conference. Poster: The quality of clinical guidelines in dentistry. Jyväskylä, Finland
- 2001 - International College of Prosthodontics, Biannual Meeting. Lecture: Science in prosthodontic papers. A comparison of two prosthodontic journals. Sydney, Australia
- 2000 -Scandinavian Association for Dental Research, NOF, Annual meeting. Poster: Dental wear by exposure to mineral dust. Warsaw, Poland
- 1999 -International College of Prosthodontics, Biannual Meeting. Lecture: An appraisal of the papers in The International Journal of Prosthodontics. Stockholm,
- International College of Prosthodontics, Biannual Meeting. Poster: Strain on Abutment Teeth Supporting a Removable Lower Class One Partial Denture. A Pilot Study.
- University of Oslo, Annual Dental Research Symposium. Poster: Splint thickness and treatment outcome of TMD patients. Oslo,
- University of Oslo, Annual Dental Research Symposium. Poster: Strain on Abutment Teeth Supporting a Removable Lower Class I Partial Denture. Oslo,
- University of Oslo, Annual Dental Research Symposium. Poster: Dental wear by exposure to mineral dust. Oslo,
- Society of Oral Physiology. Biannual meeting, Poster: Occlusal splint thickness influence on treatment outcome. Gothenburg, Sweden,

- 1997 -Scandinavian Association for Dental Research, NOF, Annual meeting. Lecture: Mandibular jaw movements - which parameters are relevant? Reykjavik, Iceland,  
-Society of Oral Physiology. Biannual meeting, Poster: Recordings of jaw movement - which criteria are relevant? Lattrop, Netherlands
- 1993 -Scandinavian Society for Prosthetic Dentistry, Lecture: Clinical/roentgenologic evaluation of abutments after 15 years. [*Klinisk/røntgenologisk evaluering av bro Pilarer etter 15 år*]. Örebro, Sweden
- 1992 -International Association for Dental Research 70<sup>th</sup> general session, Poster: Clinical Performance of Anterior Restorations with emphasis on discoloration. Glasgow, Scotland
- 1991 -International Association for Dental Research 69<sup>th</sup> general session & American Association for Dental Research 20<sup>th</sup> annual meeting, Poster: Cavity design, Replacement reasons and Service time of amalgam restorations. Acapulco, Mexico
- 1990 -International Association for Dental Research 68<sup>th</sup> general session & American Association for Dental Research 19<sup>th</sup> annual meeting, Poster: The Age of Restorations in Situ. Cincinnati, USA,  
-International Symposium on Trace Elements in Health and Disease. Poster: Dental amalgam and Mercury. NTES - COMTOX. Espoo, Finland
- 1989 -International Association for Dental Research 67<sup>th</sup> general session, Lecture: Cavity morphology and marginal degradation of class II amalgam restorations. Dublin, Ireland,  
-Scandinavian Association for Dental Research, NOF, Annual meeting, Poster: Mercury in blood, urine and expired air, and amalgam restorations. Malmö, Sweden
- 1988 -International Association for Dental Research 66<sup>th</sup> general session & American Association for Dental Research 17<sup>th</sup> annual meeting, Poster: Occupational exposure of Norwegian dentists to mercury. Montreal, Canada,

- 2013- International Association for Dental Research. Washington DC, USA. Award Committee
- 2012-2013 International Association for Dental Research. Washington DC, USA. Constitution Committee Chair
- 2011- International Association for Dental Research, Washington DC, USA. IADR Prosthodontics Group, Group Program Chair
- 2010-2012 International Association for Dental Research. Washington DC, USA. Constitution Committee member
- 2009-2013 Academy of Osseointegration (AO) Chicago, USA. AO/OF Research Grant Committee, Chair
- 2009-2011 International Association for Dental Research, Washington DC, USA. IADR Prosthodontics Group, President & Past-President
- 2008- International Association for Dental Research. Washington DC, USA. Prosthodontics group, Web-administrator [www.iadr.org/prosthodontics](http://www.iadr.org/prosthodontics)
- 2008-2012 International Association for Dental Research. Washington DC, USA. Implantology Research Group, Web-administrator [www.iadr.org/implantology](http://www.iadr.org/implantology)
- 2008-2009 Academy of Osseointegration, Chicago, USA. AO/OF Research Grant Committee, Vice-Chair
- 2008- International Association for Dental Research, Washington DC, USA. IADR Implantology Research Group, Council Director
- 2008-2010 Academy of Osseointegration, Chicago, USA. 2010 Program committee, member
- 2008-2010 American Dental Association, Centre for Evidence-Based Dentistry. Chicago, USA Critical Review Panel member
- 2007- Standards Council of Canada, Ottawa, Canada. Head of Delegation, ISO/TC106/SC8 Dental Implants
- 2007-2008 Canadian Dental Association /Association of Canadian Faculties in Dentistry Conference on Implant Education. Program committee. Chair

- 2007-2010 International Association for Dental Research, Washington DC, USA. William J. Gies Awards Committee, Member,
- 2006-2008 The Toronto Osseointegration Conference Revisited, Faculty of Dentistry, University of Toronto, Toronto. Scientific chair
- 2006-2007 Scandinavian Society for Prosthetic Dentistry. Scandinavian Workshop on Implant Dentistry. Copenhagen, Denmark. Program Committee Co-Chair
- 2004-2010 International Association for Dental Research. IADR EBD Network, Council Member
- 2004-2005 Scandinavian Society for Prosthetic Dentistry. Educational committee, Chair
- 2003 FDI World Dental Federation. FDI Official delegate to IADR Annual conference
- 2003-2005 FDI World Dental Federation. FDI-IADR Lunch Science Transfer Seminar, Organizing committee Chair, Gøteborg 2003, Honolulu 2004, Baltimore 2005
- 2003-2006 Swiss Society of Reconstructive Dentistry (SSRD). European Workshop on Reconstructive Dentistry: On what level of evidence do we provide therapy? Program Committee Co-Chair
- 2003-2009 International College of Prosthodontics. Executive Council, Councillor
- 2001- Council on Scientific Affairs, American Dental Association. Consultant
- 2001-2003 FDI World Dental Federation. FDI Official delegate to ISO/TC106 Dentistry
- 1999-2005 FDI World Dental Federation. Science Commission. Commissioner
- 1998-2005 Scandinavian Society for Prosthetic Dentistry. Council, National Representative
- 1997-2004 Scandinavian Society for Prosthetic Dentistry. Educational committee, University Representative

## **B. TEACHING**

[TOP](#)

### **B.1 Courses taught**

**Undergraduate level**

**Graduate level- for dentists**

**Postgraduate level – for MSc & specialist candidates**

**Post-doctoral level – for PhD & researchers**

#### **Undergraduate level**

##### U. of Toronto

- University of Toronto, Prosthodontics lectures/ seminars 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> yrs (30h) 2005-
- University of Toronto, Clinical demonstrator 4<sup>th</sup> yr (220h) 2005-2006
- Prosthodontics clinical expert advisor. 4<sup>th</sup> year. 2006-2007. Prosthodontics.

##### U. of Oslo

- PBL – seminars Director. 4<sup>th</sup> year. Institute for Clinical Dentistry. 2000 - 2005
- Prosthodontics & Stomatognathic Physiology. 2,3,4,5<sup>th</sup> year (20 hrs/year) Dep. Prosthodontics 2004-2005
- Prosthodontics & oral physiology lectures 1,2,3,4,5<sup>th</sup> year (50-300 hrs/year) Dep. Conservative Dentistry 1997–2005
- Restorative Dentistry lectures 1,2,3,4,5<sup>th</sup> year (200 hrs/year). Dep. Conservative Dentistry 1997–2003
- Student research projects, 4<sup>th</sup> & 5<sup>th</sup> year (150hrs/year) University of Oslo Faculty of Dentistry Coordinator, 2000 – 2002
- Restorative Dentistry clinical expert advisor 4 & 5<sup>th</sup> year (60 hrs/year) Institute for Clinical Dentistry 1997–2003
- Prosthodontics Seminar director, 7 hours/week. 4<sup>th</sup> & 5<sup>th</sup> years, Department of Prosthetic Dentistry and Stomatognathic Physiology, 1994–1998

- Prosthodontics Clinical demonstrator, 14 hours/week. 3<sup>rd</sup> & 4<sup>th</sup> years, Department of Prosthetic Dentistry and Stomatognathic Physiology, 1993–1994
- Tooth morphology. Course director, lectures and examinations. 67 hrs/yr. 1<sup>st</sup> & 2<sup>nd</sup> 120 hrs/yr. Department of Anatomy. 1987–1992 & 110 hrs/yr. 2<sup>nd</sup> year. Department of Anatomy. 1985 - 1986.

#### **Graduate level- for dentists**

- Toronto Institute of Dental Excellence, The science behind implant dentistry practice. Lecture, 1 hour. Toronto, Canada. Jan 7 2010
- Norsk Dental Depot, Treatment Decisions in Clinical Dentistry. Day Course. Oslo, Norway. Mar 12 2009
- Hospital for Sick Kids, Annual Update in Dentistry. Treatment planning for the lost permanent incisor(s) in adolescents. Lecture, 1 hour. Toronto, Canada. Feb 12 2007
- Moss Dental society, New materials and new techniques in prosthodontics. Lecture, 3 hours. Moss, Norway. Mar 31 2004
- Departments of Conservative Dentistry, Universities of Bergen & Oslo. Annual meeting. Evidence-based Dentistry - challenges in cariology. Lecture, 1 hour. Geilo, Norway. Feb 6 2004.
- Sunmøre Dental society. Prosthodontics: New materials and methods. Lecture, 3 hours Ålesund, Norway. Apr 29 2003
- Departments of Conservative Dentistry, Universities of Bergen & Oslo. Annual meeting. Adverse effects from Dental materials in Norway, Lecture, 1 hour. Geilo, Norway. Feb 19 2001
- Vestfold Public Dental Health Service. Choice of dental restorative materials. Course provider. 6 hours. With J Dahl, NIOM. Tønsberg, Norway. Jun 5 2000
- Akershus Public Dental Health Services. Chief Officers meeting. Science based dentistry. Course provider. 3 hours. Åsgårdstrand, Norway. May 4 2000
- Vest Agder Dental Association. Good prosthodontics when there is lack of money. Course provider. 4 hours. Kristiansand, Norway. Nov 11 1999
- National Dental health services in Buskerud and Oppland. Prosthetic treatment in light of epidemiology and basic research. Lecture, 1 hour. Lillehammer, Norway. May 28 1997
- Oppland Public Dental Health Service. Competency course in prosthodontics. Course provider. 6 hours. Organized by Department of Prosthetic Dentistry and Stomatognathic Physiology, University of Oslo. Lillehammer, Norway. March 1997
- Vestfold Dental Association. Today's filling materials. Course provider. 6 hours Åsgårdstrand, Norway. Oct 12 1996
- Norwegian Dental Association. Colors and shapes of the front teeth. Lecture, 1 hour. Oslo, Norway. Jan 6 1987

#### **Postgraduate level – for MSc & specialist candidates**

- University of Toronto, Graduate Prosthodontic Specialty Program Course Director (200h) 2005-
- University of Toronto, Graduate Prosthodontic Treatment planning (80h) 2005-
- University of Toronto, Graduate Prosthodontic Literature Seminars Periodontology-Prosthodontics (60h) 2005-
- University of Toronto, Graduate Prosthodontic Treatment planning Seminars Periodontology+Radiology+Prosthodontics, (20h) 2006-
- University of Toronto, School of Graduate Studies: Temporomandibular Dysfunction (45h) 2006, 2008, 2010, 2012
- University of Toronto, School of Graduate Studies: Clinical Epidemiology and Evidence Based Practice (30h) 2009, 2010, 2011, 2012
- University of Toronto, School of Graduate Studies: Occlusion (45h) 2006, 2007, 2009, 2011
- University of Toronto, In service educational on dental implants for Comprehensive Care Provider clinical educators Toronto, Canada. Jan 16 2006
- University of Limpopo & University of West Cape, Evidence-based Dentistry. Lectures, 1+1 hours. Cape Town, South Africa. Apr 12 2005

- South African Workshop on Evidence-based Oral Health Care. Study designs and strengths & Clinical guidelines & The AGREE instrument & Implementing EBD. 5 days. Centurion Lake, South Africa. Apr 7 2005
- Nordic Institute for Dental Materials, Evidence-based Dentistry. Lecture, 1 hour. Haslum, Norway. Mar 1 2005
- Westmead Centre for Oral Health. University of Sydney & Temporomandibular disorders and evidence. Symposium. Postgraduate prosthodontics. Jaw and orofacial pain unit. Clinical treatment decision – the search for evidence. Lecture. & Key issues in prosthodontic treatment planning for long-term outcomes. The evidence for metal-ceramic and/or all-ceramic crowns. (Lecture, 1 hour). University of Sydney, Sydney Australia Aug 23-27 2004
- South African Workshop on Evidence-based Oral Health Care. Course provider. 3 days workshop. University of the Witwatersrand, Evidence-based Dentistry. Johannesburg, South Africa. Jul 10-16 2004
- University of Oslo Faculty of Dentistry Competency assurance course, Color theory and the use of the VITA 3D Master - shade guide. Course provider. 2 hours. Oslo, Norway. Jan 22 2001
- University of Oslo Faculty of Dentistry, Choice of restorative materials. Lecture, 3 hours. Quality assurance course for external advisors Oslo, Norway. Jan 15 2001
- University of Oslo Faculty of Dentistry. Color theory and the use of the VITA 3D Master - shade guide. Course provider. 3 hours. Competency assurance course, Oslo, Norway Nov 18 2000.
- University of Oslo Faculty of Dentistry. GTR techniques – to what extent are guidelines and recommendations evidence - based? Course provider, 2.5 hours. Clinical faculty seminars. Norway. Nov 24 1999
- University of Oslo Faculty of Dentistry. What is evidence-based dentistry. Lecture, 30 minutes. Research symposium on treatment, aesthetics and evidence. Oslo, Norway. Nov 11 1998.
- University of Oslo Faculty of Dentistry. Dental amalgam and mercury. Lecture, 1 hour. Dental Research Symposium, Oslo, Norway. Jun 6 1991
- University of Oslo Faculty of Dentistry. Bioavailability of mercury from amalgam. Lecture, 1 hour. Dental materials seminar of Oslo, Norway. Dec 6 1989

#### **Post-doctoral level – for PhD & researchers**

- Nordic Medical Research Council (NOS-M) Workshop. Methodological designs of clinical trials and their power to answer research question Bergen, Norway. May 21 2005
- Norwegian Centre for Health Technology, Evidence-based Dentistry and wisdom teeth surgery. Oslo, Norway. Jan 6 2004
- National University Hospital. 1<sup>st</sup> Asia Pacific Evidence-based Medicine Workshop. 4 days workshop facilitator. Singapore. Jan 22-25 2003
- Scandinavian Society of Pathology and Oral Medicine. Annual meeting. Man's mercury loading from dental amalgam. Lecture, 1 hour. Oslo, Norway. Aug 11 1989

#### **Others**

- Faculty of Dentistry. Public open Day, Are Implants Right for You? (1 hour lecture). Toronto, Canada. Dec 4 2006
- The Public University. New methods and procedures in dentistry. Lecture, 2 hours. Theory for dental technician masters. Oslo, Norway. Oct 8 1998
- Department of Prosthetic Dentistry and Stomatognathic Physiology. University of Oslo., The reorganization of the dental faculty - what happens? Lecture 1 hour. Internal seminar, Mastemyr, Norway. Nov 25 1996
- The Public University. Dentistry towards year 2000. Lecture, 2 hours. Theory for dental technician masters. Oslo, Norway. Nov 14 1996
- The Public University. Product development, new technology and new methods in dentistry. Lecture, 2 hours. Theory for dental technician masters. Oslo, Norway 17.3.1995
- Akershus County Adult Education School, Computer use. Course provider. 72 hours. Adult education program. Jessheim, Norway. Fall 1986- Spring 1987

**B.2. Invited presentations at professional meetings/workshop**[TOP](#)

- International Association for Dental Research. Annual Meeting. Keynote Address: *Evidence Based Development and Clinical Implementation of Dental Biomaterials*. (30min Lecture). Dental Materials Group. Cape Town, South Africa, June 25, 2014.
- Norwegian Periodontal Society. 40<sup>th</sup> anniversary jubilee meeting, *The periodontal patient from a prosthodontist's view*. URL: <http://jokstad.no/NPerio2014.pdf>. (30 min lecture). Geilo, Norway. Jan 31 2014.
- Norwegian Dental Association annual meeting. *Evidence-based treatment planning and clinical practice*. (90 min lecture) Lillestrom, Norway, October 31, 2013.
- Danish Society for Oral Implantology. *Annual meeting. Implant prosthodontic complications and challenges*. (1 hour lecture). Vejle, Denmark, October 27, 2013.
- ITI Education Week Toronto. *Computer technologies in implant dentistry*. (30 min lecture). Holland Bloorview Kids Rehabilitation Hospital, Toronto, Canada. October 23, 2013
- Journal of Oral Rehabilitation. *Methodological challenges in the study of occlusion*. (60 min online lecture). <http://www.jor-occlusion-update.org/occlusion/dr-asbjorn-jokstad-methodological-challenges-in-the-study-of-dental-occlusion>. April 23, 2013.
- SciTech Europe 2012. *Innovative Biomaterials Research under the Northern Lights* (30 mins lecture). Brussels, Belgium. November 20 2012.
- European Association of Osseointegration. Annual meeting. *Future perspectives of implant prosthetics*. (30 min lecture) Copenhagen, Denmark. October 12, 2012.
- International Association for Dental Research Annual Meeting. EBD symposium: *Information Missing from Databases and Access Problems*. (30 min lecture) Iguacu Falls, Brazil. June 21, 2012
- American Association for Dental Research Annual Meeting. Lunch & learning: *How to plan RCTs in implant dentistry*. (90 min seminar) Tampa, FL, USA. March 22, 2012
- Toronto Winter Clinic Annual Meeting. *Current Clinical Research in Prosthodontics of Importance for the Practicing Dentist*. (30 min lecture) Toronto. November 4, 2011
- ITI Education Week Toronto. *The ITI SAC Classification*. (30 min lecture). Holland Bloorview Kids Rehabilitation Hospital, Toronto. October 26, 2011
- ITI Education Week Toronto. *Implant Loading protocols*. (30 min lecture) . Holland Bloorview Kids Rehabilitation Hospital, Toronto. October 26, 2011
- Colloquium on Oral Rehabilitation – CORE 2011. *Methodological challenges in the study of occlusion*. (60 min lecture). Xian, China. October 21, 2011
- Canadian ITI Section Meeting Education Session. *Using intra oral scanning and CAD/CAM technology to create accurate and esthetic restorations* (1h Lecture) Montreal, Canada. May 7 2011
- Canadian ITI Section Speaker development seminar, *ITI.org: How to take full advantage of the ITI web site and its many tools* (1h Lecture) Montreal, Canada. May 6 2011
- ITI Congress USA 2011, Comparison of two Early Loading Protocols in Full Arch Reconstructions in the Edentulous Maxilla using the Cresco Prosthetic System. (30min Lecture) Boca Raton, FL, USA. Apr 8 2011
- International Association for Dental Research Annual Meeting. Keynote Lecture. *Long-Term Clinical Performance of Fixed FDPs Depends on Alloy Selection*. (30min Lecture). Prosthodontics group. San Diego, CA, USA. Mar 17 2011,
- International Association for Dental Research Annual Meeting. Lunch & learning, *How to plan RCTs* (1h Lecture) San Diego, CA, USA. Mar 16 2011
- Holland Bloorview Kids Rehabilitation Hospital, Toronto. *SAC Classification & Loading protocols*. 2 x 30 min lectures. ITI Education Week Toronto. Toronto, Canada. Oct 27 2010
- European Academy of Craniomandibular Disorders. EACD International Congress. *Prosthetic Rehabilitation and the TMD patient: when and what?* Napoli, Italy. Sep 23 2010
- International Association for Dental Research Annual Meeting. Lunch and learning. *The effects of time-to-loading of implants on treatment outcomes* (1h Lecture). Barcelona, Spain. Jul 8 2010

- Academy of Osseointegration, Implant Restorative Track Symposium: *Where, When, Why & How (Moderator)* Orlando, FL, USA. 3 March 2010
- Osseointegration Study Club of Southern California. *25 years after the Toronto Conference: What do we know! What don't we know about Osseointegration.* (Full day course) Los Angeles, USA. Jan 8 2010

- Bergen Dental Association, Evidence based dentistry – valuable for the general practitioner. Lecture, 1 hour. Spring meeting, Bergen, Norway. March 3 2000
- Norwegian Periodontal Society. 25<sup>th</sup> anniversary jubilee meeting, Is the use of GTR techniques science - based? Lecture, 1 hour Oslo, Norway. Nov 23 1999
- University of Malmö, Dental Faculty, Evidence based dentistry. Course provider. 4 hours. Malmo, Sweden. Nov 3 1999
- University of Bergen. Dental Faculty, Evidence based medicine in dentistry. Course provider. 5 hours. With Atle Klovning, Bergen, Norway Oct 22, 1999

- Swedish Dental Association. Annual conference. The anterior tooth space and prosthetic solutions – an evidence based approach. Moderator, 2. 5 hour symposium. Gothenburg, Sweden. Oct 8 1999
- Swedish Dental Association. Annual conference, Good prosthodontics when there is lack of money. Lecture, 1 hour. Stockholm, Sweden. Nov 13 1998
- Norwegian Dental Association. Colors and shapes of the front teeth. Lecture, 1 hour. Oslo, Norway. Jan 6 1987

### **B.3. Thesis Supervision or Co-Supervisor**

[TOP](#)

#### PhD candidates

1. Mohammed Zahran, Department of Dental Materials, Thesis: Factors affecting the Fracture Strength and Fatigue Resistance of All-Ceramic Zirconium Oxide Molar Crowns. Study design, statistics. Manuscript. University of Toronto. Jul 2013
2. Fatima Jadu, Department of Maxillofacial Radiology, Thesis: The development of 3D sialography utilizing our new cone beam CT scanner. Study design, statistics. University of Toronto. Jan 2012.
3. Sara Al-Fadda, Department of Prosthetic Dentistry, Thesis: On Treatment Outcome of Implant Supported Fixed Prosthesis in The edentulous Patient. Study design, statistics. Manuscript. University of Toronto. 2009
4. Meric Gökce, Department of Prosthetic Dentistry, Thesis: A New Polymeric System Reinforced With Silica Glass Fibres And Its Effects On The Attachment Of Teeth To Implant Bridge Structures. Study design, statistics, University of Oslo. & NIOM. 2004-2005
5. Fabio Sampaio, Faculty of Oslo Department of Conservative Dentistry. Thesis: Dental plaque fluoride and pH in children exposed to different water fluoride levels. Statistics, 2000. University of Oslo.
6. Berit Schie Krogstad, Department of Prosthetic Dentistry and Oral Function. Thesis: Treatment outcome of TMD patients and psychosomatic evaluations. Study design, statistics, publication. University of Oslo. 1996 – 1998

#### MSc candidates

1. Waad Kheder, Prosthodontics, Thesis: Assessing the Position and Angulation of Single Implants Restored in the Predoctoral Dentistry Program. University of Toronto, June 2014.
2. Eszter Somogyi-Ganss, Prosthodontics, Thesis: Evaluation of the accuracy of a novel dynamic computer-guided navigation system for placing dental implants. University of Toronto, June 2013.
3. Brent Winnett, Prosthodontics, Thesis: The role of NSAIDs in impaired bone healing in implant prosthodontics. University of Toronto, July 2013
4. Babak Shokati, Prosthodontics, Thesis: Long-term Complications Associated with Implant-retained Fixed Dental Prosthesis. University of Toronto, September 2012
5. Brett Ayliffe, Prosthodontics, Thesis: Evaluation of the Toronto Palatal Lift Appliance for patients with hypernasal resonance disorders. University of Toronto, January 2013
6. Joseph Fava, Prosthodontics, Thesis: Single Implant Supported Crowns in the Aesthetic Zone. Patient Satisfaction with own Treatment Compared to Evaluations of Aesthetic Appearance by Laypersons and Dentists. University of Toronto, September 2011.
7. Robert Kotzer, Dental Public Health, Thesis: Oral health-related quality of life in an aging population. University of Toronto, July 2011.
8. Sagun Suri, Prosthodontics, Thesis: Dental implant outcomes in patients with osteoporosis: A retrospective case-control study. University of Toronto, Dec 2010
9. Dr. Deepak Nallasamy, Prosthodontics, Thesis: Intracortical Microstimulation Analysis of Rat Motor Cortex following Maxillary Molar. University of Toronto, Aug 2010
10. Mark Lin, Prosthodontics, Thesis: Interproximal Papillae Adjacent to Single Implant Crowns in the Aesthetic Zone: Clinical and Radiographic Findings from a Multi-Private Practice Based

Research Network (PBRN) and Post-Graduate Prosthodontics/Periodontology Residency Programs. University of Toronto, June 2010

11. Muneera AlShamrany, Dental Public Health. Thesis: Is depression associated with edentulism in Canadian adults? University of Toronto, Sep 2007
12. David Chvartzaid, Prosthodontics, Thesis: Differences in outcomes of implant-supported prostheses as a function of the number of root-formed implants. A cochrane Systematic Review on dental implants. University of Toronto, June 2007
13. Kirk Preston, Prosthodontics, Thesis: Differences in outcomes of implant-supported prostheses as a function of the number of root-formed implants. A cochrane Systematic Review on dental implants. University of Toronto, June 2007
14. Soheila Haji- Kermani, Prosthodontics, thesis: On Ectodermal Dysplasias Patients. Best Evidence for Oral Habilitation: A review of the literature. University of Toronto, May 2007
15. Ralph Edeklev, Prosthodontics, Thesis: Single tooth implant clinical study. University of Oslo. Study design, Sept 1998-2001
16. Wisit Sakaratanan, Prosthodontics, Thesis: Effects of splints on clinical parameters., University of Oslo. Study design, statistics, publication. 1997 - 2000
17. Una Soboleva, Prosthodontics, Thesis: Jaw movements and jaw tracking. University of Oslo. Study design, statistics, publication. 1995 – 1997

Clinical speciality candidates

1. Lena Johansen, prosthodontics, Project: Patient complaints in Oslo county 2001-2004. Project: Study design 2003-2005
2. Kyrre Teigen, prosthodontics, Project: Cobalt-chromium as an alternative to gold alloys on implants. Study design 2003-2005
3. Knut Øverberg, prosthodontics, Project: Use of prosthodontic components with use of four different implant systems. Study design, statistics, reporting. 2002-2004
4. Arild Mo, prosthodontics, Project: TMD therapy using two occlusal splint designs. Study design, statistics, reporting. 2002-2004
5. Knut Jakobsen, prosthodontics, Project: Qualities of patient information brochures developed for patients in Norway. Study design, statistics, reporting. 2002-2004
6. Karl Hjortsjø, prosthodontics, Project: A systematic review of the scientific documentation of fixed partial dentures made from fibre reinforced composite to replace missing teeth. Study design, statistics, reporting. 2002-2004
7. Kai Hanestad, prosthodontics, Project: Satisfied or dissatisfied patients with dentures; how do they describe their experiences. An explorative evaluation. Study design, statistics, reporting 2002.
8. Eva Børstad E, prosthodontics, Project: Are plastic and steel trays comparable? An evaluation of dies made from impressions taken in disposable plastic trays and steel stock trays. Statistics, reporting 2002
9. Morten Børsum, prosthodontics, Project 1: Follow-up control of implants placed at the University of Oslo Faculty of Dentistry. Study design, 2000-. Project 2: Periotest recordings of removable denture abutments. Study design, statistics, reporting. 1999
10. Tor Skjetne, prosthodontics, Project: Dental implants and olfactory measurements. Study design, statistics. 1998
11. Per Otterstad, periodontics, Project: The dimension of the marginal peri-implant tissue related to transmucosal abutment manipulation. A clinical study. Study design, statistics. 1998
12. G Eide & J Nordmo, prosthodontics, Project: Olfactory problems associated with implant prostheses. Study design. 1998
13. Sara Razavi, orthodontics, Project: Masticatory performance. Study design, statistics. 1998
14. Berit Aanerød, endodontics, Project: A clinical evaluation of two endodontic materials. Statistics. 1997
15. Svein Støvne, prosthodontics, Project: Implants and iliac transplantations. Study design. 1995
16. Knut Erik Eide, prosthodontics, Project: Institutionalized elders and oral health. Statistics, publication. 1994

### Student researchers

1. Andreas Gibsztein, Jasdeep Ohri, Project: Pharmacological drugs that influences the oral milieu. Spring 2002 <http://www.odont.uio.no/allmennodontologi-voksen/farmaka/index.html>
2. Line Minster, Hedda Storsten, Jie Yuan Wu, Project: WWW learning resources for dental students. Fall 2002 <http://www.odont.uio.no/allmennodontologi-voksen/studodont/index.htm>
3. Marie Charlotte Nilsen, Dental materials, Project: Dental materials database. Summer 2000
4. Gregor Løvlie, Conservative Dentistry, Project: Tooth wear among workers and exposition to occupational dust. Study design, statistics, publication. 1998 – 2001
