Realistic white shades for special cosmetic needs

SYNERGY® Super White shades are ideal for restoring whitened teeth and deciduous teeth.

Only SYNERGY® offers three different bright white shades - selected by dentists.

- Super White N (neutral)
- Super White O (opaque)
- Super White P (pearl)

With SYNERGY® Super White shades, tooth whitening can be accomplished with one-off dentist or laboratory produced veneers.

Let SYNERGY® Super White assist you with your cosmetic needs.
